### 33 Oil Street Art Space | 油街實現

One-minute Walk 步行1分鐘

Free Admission | 免費入場

It's housed in the former clubhouse of the Royal Hong Kong Yacht Club, which was opened in 1908. After revitalisation and restoration, this red-bricked Grade II historic building with a tile roof was renamed the Oil Street Art Space (Oi!), which opened to the public in 2013.

前身為於1908年落成的香港皇家遊艇會會所，這所擁有紅磚瓦頂的二級歷史建築於2013年活化修復後，改名為「油街實現」，作為藝術空間開放予公眾。

### 34 East Coast Park Precinct | 東岸公園主題區

Five-minute Walk 步行5分鐘

Free Admission | 免費入場

Located along Fortress Hill's harbourfront, the East Coast Park Precinct provides a 100-metre-long breakwater which is the first in Hong Kong to open to the public within Victoria Harbour, allowing visitor to enjoy a panoramic view of the harbour and to watch a golden sunset. It also features a lawn area and various outdoor installations where you can relax while being surrounded by an Instagram-friendly backdrop.

位於炮台山海濱的「東岸公園主題區」設有第一條長約100米於維港內正式向公眾開放的防波堤，讓市民可近乎360度飽覽維港景色和觀賞日落晚霞。主題區還提供草地休憩亭和大型立體燈牌，是拍照打卡的絕佳地點。

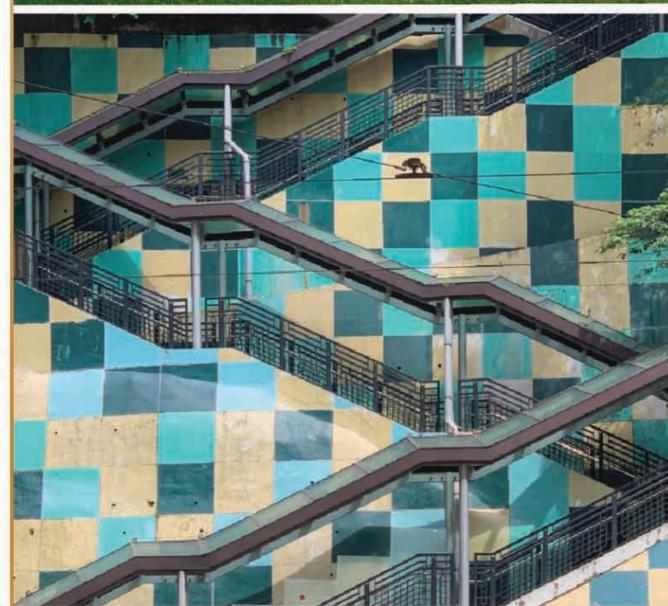

### 35 Fortress Hill Steps | 之字形樓梯

Two-minute Walk 步行2分鐘

Just next to Fortress Hill MTR station is one of the city's most striking public staircases. This iconic zigzag steps painted in different shades of blue and green patchwork style is one of the landmarks of Fortress Hill. Take your time and make a social post for this Instagram-worthy spot.

毗鄰炮台山港鐵站是網紅的之字形樓梯，以藍、綠文青顏色拼湊成樓高三層的格子牆壁不但是炮台山的地標之一，也是世界級的人氣打卡點。

### 36 Red Incense Burner Summit | 紅香爐峰

Around thirty-minute walk 步行約30分鐘
